

Hello Blanketeers! Looking forward to seeing you very soon for our [Make A Blanket Day this Saturday from 9am - 3pm](#). The meeting/Show'n'Tell will start at 11am, followed by the Potluck Lunch, with Thank You Raffle drawings throughout the day. (St. Jude's Episcopal Church 20920 McClelland Rd Cupertino).

So **remember** to bring:

- * Your Project Linus Name Tag (if you have one)
- * A project to work on (we'll have some available)
- * Empty ink cartridges (for the Staples Recycling program)
- * Yarn donations (we are out of yarn this time, so we're hoping to start receiving yarn donations again soon - please tell your friends and family that we are open for yarn donations now - thanks!)
- * Your potluck lunch contribution
- * 2-3 blankets for Show'n'Tell (optional)

FYI - I'll have the patches shown above and Skip-Skip blades available for purchase. It's going to be a fun day! Please join us!!

We also [need help with set up tomorrow/Friday at 1pm](#) for about an hour. Please come if you can. PS I'm bringing a special dessert for the potluck - do stop by to see it.

The recent Mystery Quilt program just wrapped up, but there's a [Knit and Crochet Along starting soon](#). Registration opened Feb. 25 and the first instruction section will be revealed March 4. Knitters and crocheters join the fun! The fee is \$20 but it will come back to our chapter if you remember to include 'South Bay / San Jose, CA chapter' when you register online at www.projectlinus.org. We'll look forward to seeing your creations as we have the mystery quilts.

[Need Toddler blankets!](#) This is our most used size of blanket and we are always in need of these (approx. 40"x50"). Please consider this size for your next quilt.

2023 was a another great year for our chapter. For the year, **we received donations of 6177 blankets and gave away 6805 blankets.** Our chapter-to-date total at the end of the year was 121,749 blankets. Amazing! That's a LOT of kid cuddling we provided. Well done everyone!! (To see the list of our partner organizations, go to our website www.sjlinus.org.)

Thank you so much for supporting Project Linus and the local children in crisis who we serve.
