

**Project ♥ Linus**  
Providing Security Through Blankets  
San Jose, CA/South Bay Chapter

Hello blanketeers! As you know, we're looking forward to **our first Make a Blanket Day of the year - next Saturday March 4th 9am-3pm at St. Jude's Episcopal Church** 20920 McClellan Rd Cupertino (the usual MABD location). We'll be having our meeting including show'n'tell and the thank you raffle starting at 11am, followed by the outstanding potluck lunch - please bring something to share. There will be quilt kits available or bring your own Project Linus project to work on, skip-stitch fleece kits, batting, our yarn bins for our knitters/crocheters, as well as some other projects. If you need help with a project, bring it along and we'll find someone to answer your questions.

==> To make this event possible, **we need to ensure we have enough help with set up (FRIDAY 1pm) and take down (Saturday 3pm). Please contact me** at [sjlinus@comcast.net](mailto:sjlinus@comcast.net) or 408-252-1858 to confirm your assistance. Without enough help signed up in advance for both times, we will not be able to continue these fun events. Thanks for your understanding and support.

==> To help us plan the set-up, we'd really appreciate knowing how many blanketeers to expect. **If you plan to attend (any or all of the event) please let us know** at [sjlinus@comcast.net](mailto:sjlinus@comcast.net). Also please tell us if you'll be bringing a sewing machine so we have enough tables and extensions cords ready.

We'll follow up the Make a Blanket Day with another email to include updates shared that day in case you can't join us.

We're looking forward to seeing you soon for another fun day of blanketeering together.

Thanks for supporting Project Linus and the local children in crisis who we serve.

Sharon Lee, Chapter Coordinator  
Barbara Ross, Assistant Chapter Coordinator
